✓ Team Leaders

BRIDGING GAPS

GEN Z VS SENIOR
MANAGEMENT

Rahila Ashraf

COURSE DESCRIPTION:

This course is designed for professionals at any level, providing resources and guidance from industry experts to enhance your career through improved behavior and networking skills. Study various professional career advancement techniques to steer your career towards success. This program is designed to equip you with lifelong skills that will catapult your career to new heights. Using strategic planning tools, you will pinpoint the career pathway best suited to your interests and talents, establish realistic objectives, and discover effective methods to achieve them.

LEARNING OBJECTIVES:

The course aims to provide a deep understanding of the generation gap by delving into its historical context and societal implications. It also seeks to dispel stereotypes associated with Baby Boomers and Generation Z through critical analysis and empirical evidence. Participants will explore the unique characteristics and values of Generation Z.
